Revamp of SCADA/EMS Systems

NLDC Shift summary 1.Maximum DEmand During shift :400 MW i.National grid frequency remained within limit during the shift ii.Voltage status

Morning /Evening /Night shift Minimum demand during shift: 200MW

voltage status table

| | | | | | Metric | COUNT(*) |
|-----------------|-------------------------------|--|------------------------------|------------------------------|--------|----------|
| Name of element | Voltage(kv) before regulation | Reason | Measures/Action taken | Voltage(kv) after regulation | | COONT() |
| | | | | | | 1 |
| 132kv KHP_MAT | 139kv | Internal line disruptionat Rangia end, Shund reactor closed at KHP | no otherimprovementsmeasures | 137kv | 137kv | |

Shutdown plan table

| Metric | Name of element | Nature | Avail Time & date | Reasons | Restoration time and remarks | Total (Sum) |
|----------|-----------------|---------|---------------------|---------|------------------------------|-------------|
| COUNT(*) | | Ad-hoc | null | | | 1 |
| | | RB | null | | | 1 |
| | 400kV THP-MAL | СВ | 2021-08-24 00:00:00 | AMP | Still out | 1 |
| | | Planned | 2021-08-24 00:00:00 | AMP | Still out | 2 |

Tripping/Restoration of generating unit

| | | | | | Metric | COLINT(*) | |
|-----------|-------------------|---------------|-------------------|--------------------|--------|-----------|---|
| Line/ICT | Tripping Time | Reasons | Normalised time | Remarks | | COUNT(*) | |
| THP unit2 | 10:35(12/08/2021) | Reverse Power | 11:38(12/08/2021) | No generation loss | · | | 1 |

Line/ICT Tripping/Revivel

| | | | | | Metric | COLINIT(*) |
|---------------|-------------------|-----------------|-----------------|----------------|--------|------------|
| Line/ICT | Tripping time | Reason | Normalised time | Remarks | | COUNT(*) |
| 400kV THP-MAL | 17:35(12/08/2021) | tower collapsed | still out | Declare Faulty | | 1 |

Elements on standby/ idle charges

| | | | Metric | COLINIT/*) | |
|---------------------|-------------------|---------|--------|------------|---|
| Name of element | Time | Remarks | | COUNT(*) | |
| 400kV THP - S -IL 2 | 10:35(12/08/2021) | standby | 1 | | 1 |

Non compilence

| | | | | | | Metric | |
|------------------------|---------|------|-------------|---------|------------------|--------|----------|
| Agency/stackeholder(s) | Name of | Date | Description | Remarks | Site official on | С | COUNT(*) |
